

Bible Reading Plan

A chapter
a day through
the Gospels

Congratulations! You are about to get to know the story of Jesus a little better.

This Bible Reading Plan will take you through the Gospels in just a few months, a chapter a day. The idea is for you to read each chapter and then write at least one thing you learned about Jesus from that chapter (you are allowed more than one, but get at least one).

After just a few months you will have written over 80 things you have learned about Jesus!! And remember, if you miss a day, it's okay, keep going. Don't get discouraged, do the best you can and get to know Jesus better.

Enjoy diving into the Gospels!
