

Bible Reading Plan

A chapter a
day the New
Testament way

Congratulations! In your hand you hold a great way to read the Bible, a chapter a day.

This Bible Reading Plan will take you through the New Testament from start to finish by only reading one chapter each day. It's not a daunting task, you can read most chapters in only a few minutes. But, if you invest those few minutes a day you will have the entire New Testament read long before the year is done!

Good for you, and good luck. As you read, cross out the passage you read for the day to help you keep track of where you are. If you miss a day, don't be discouraged, just try to make it up or continue on the best you can.

Enjoy diving into the Word of God!
